- Temperature: -10°C +55°C (14°F -131°F)
- Humidity: 10% 90%

#### Mobile Viewing & Alerts

This IP security cameras include a built-in microphone. The microphonewill capture the sounds around the camera, providing you with additionalinformation (and evidence, if needed) to your security.View, record and playback UltraHD footage directly from your smartphone with the Danale APP.

#### Versatile Installation Options

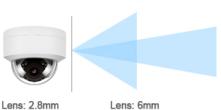

Mount this 3MP poe camera on a ceiling or eave. It's simple to place within any indoor/outdoor environment.So easy to setup, you will use it to protect your entire home!

#### Wall mount bracket: B07RMWK9R5

## Wide Angle

Lens: 2.8mm

#### Offer Simple PoE Configuration

Only a single Cat5-Cat7 ethernet cable is required to connect it to a compatible NVR. This cable provides video transmission, power to the camera, a stable network connection, and installation flexibility up to 300ft (as the camera does not need to be plugged into a nearby power source)

This PoE IP camera works with Anpviz PoE NVR or other PoE NVRs which support Onvif(may need to set up some simple information to work with other brand NVR).

#### Anpviz NVR:

#### 16CH: B07Z9C1ZJQ ; 8CH: B07T829M5V

Wide Angle 108 °

The IP Camera uses a 2.8MM lens to further expand the camera's field of view, increasing from a common 62 ° to 108 °, allowing you to view a larger range and easily complete surveillance coverage. Very suitable for common outdoor monitoring, such as around the house, around the office, at the driveway, etc.
